

PlaceholderFactory
< QuestItemView >

```
classDiagram
    class PlaceholderFactory {
        < QuestItemView >
    }
    class QuestItemViewFactory
    PlaceholderFactory <|-- QuestItemViewFactory
```

The diagram consists of two class boxes. The top box, 'PlaceholderFactory', is white with a black border and contains the text '< QuestItemView >' in its second compartment. The bottom box, 'QuestItemViewFactory', is gray with a black border and contains only the class name in its top compartment. A blue arrow with an open triangular head points from the top of the gray box to the bottom of the white box, indicating that 'QuestItemViewFactory' inherits from 'PlaceholderFactory'.
